

St. Julie's Day

July brings fond memories and special blessings on the Sophia family through St. Julie, the foundress of the Notre Dame family.

On the feast day, the entire Sophia family was gathered in the auditorium. The day began with a prayer service, celebrating the motto

of St. Julie, 'How good is the good God,' in each of our lives. The theme not only highlighted St. Julie as a 'vessel of God' through her life but also, emphasized on her charisma and how we could imbibe her qualities in our lives.

The students of Julie building, in their innocence and love, organized a prayer service, depicting the life of St. Julie through brief skits, hymns and dance performances that truly enhanced the joy of the day. The day's significance was pronounced by Sr. Alpana, Principal, High School, who reminded the students of their calling to follow the 'Good Lord', like a 'sunflower that follows every movement of the sun.'

The day concluded with everyone singing St. Julie's hymn and an icy treat for all, which was perfect closure to a blessed day.
